

Faculty Positions in the Division of Chemical and Life Science and Engineering

King Abdullah University of Science and Technology (KAUST), located in Saudi Arabia, is an international graduate-level research university dedicated to advancing science and technology through bold and collaborative research and to addressing challenges of regional and global significance, thereby serving the Kingdom, the region and the world. KAUST is committed to cutting-edge research in the globally significant areas of Energy, Water, and Food. In addition, KAUST emphasizes research on the Environment and Red Sea and the discipline of Computational Science and Engineering serves as an enabling technology for all its research activities.

KAUST is located on the Red Sea in Thuwal (80km north of Jeddah). Newly opened in September 2009, KAUST is an independent and merit-based university and welcomes exceptional researchers, faculty and students from around the world. KAUST offers attractive base salaries and a wide range of benefits. Faculty enjoy secure research funding from KAUST and have opportunities for additional funding through several KAUST provided sources and through industry collaborations. Further information about KAUST can be found at <http://www.kaust.edu.sa/>.

KAUST seeks to hire outstanding faculty in the areas of: Membrane development - process control and modeling; Membrane development - polymer synthesis. Applications from exceptional candidates with research interests in other areas of Chemical and Biological Engineering especially those related to Energy, Water, and Food are also encouraged to apply. An earned Ph.D. in Chemical and Biological Engineering or synthetic polymer chemistry, evidence of the ability to pursue a program of world-class research including collaborative and interdisciplinary research in one or more of KAUST's Research centers, and a strong commitment to graduate teaching and mentorship are required.

Applications should include a curriculum vita, brief statements of research and teaching interests, and the names of at least 3 references for an Assistant Professor position and at least 6 references for an Associate or Full Professor position. Candidates are requested to ask references to send their letters directly to the search committee. Applications and letters should be sent via electronic mail to CBE@kaust.edu.sa. The review of applications will begin immediately and applicants are strongly encouraged to submit applications as soon as possible.
